Citizen of the Week

This week's recipient is **Ashleigh Siguake** (Y4) who was chosen for always being accepting of others in line with our 'Statement to Live By' this week. Ashleigh is kind, respectful and supportive of everyone. She set a fantastic example and was a great ambassador for our school at the EIS this week, doing her very best to make sure that everyone felt happy and proud of themselves. Well done Ashleigh, we are all very proud of you!

The Feast of SS Peter and Paul

I would like to thank Father Paul celebrating Mass last Monday. I would also like to thank Mrs Evans, Miss Kiernan, the children of Y3 and other First Holy Communicants for the first time for preparing and leading the liturgy. It was a really special and happy celebration. Thank you to everyone who supported us.

Bring a Parent/Carer to School (in Key Stage 2)!

Following on from the success of the recent FS2/Key Stage 1 a special invitation was sent out to all the parents/carers of our Key Stage 2 pupils (Years 3-6) and so, this morning, our ranks were swelled by a number of new (and slightly older) pupils. This was a great opportunity for parents and carers to get involved and I would like to thank everyone who supported us.

PTFA News

I would like to remind you that the PTFA's Friday Fayre takes place later today. The event will be open to children at 2.30pm and then to parent, carers and friends of the school as soon as the school gates open at 3.25pm. There will be stalls, including those of the Y5 pupils participating in the PTFA's Enterprise Challenge. All will be vying for your custom! Please try and support this important fund-raising event. Thank you.

National School Sport Week

EIS Events

On Monday 22nd June the Y2 children ventured to the English Institute of Sport in order to participate in the LINKS partnership sports day.

It was a very busy day full of activities focused on team work, respect, determination, passion, self-belief and honesty. Everybody took part and they all enjoyed themselves thoroughly.

Lola Pardo-Figueroa, Marcus McKernan and Jack Oadley were recognised as 'top athletes' for their group, and Team C came first overall in the competition. All in all it was a very productive day for Year 2!

Mrs Broadhead, Miss Golland and Miss May would like to say a huge thank you to the volunteers who came on the trip and also how proud of year 2 they are. They were exemplary, a superb day. Well done Year Two!

Sports Day

Following the super weather last week we were so pleased that the Sports Day could go ahead as scheduled. Thank you to all the parents, grandparents and siblings who came to show their support to our athletes.

We are very proud of all of our children for taking part in all their events with such enthusiasm and sportsmanship which concluded with an exciting set of relays and some great parent/staff races. Again we are so lucky to have such a great support network of friends and parents who are willing to participate at a moment's notice.

We would like to thank our young sports leaders who helped our younger children and organised the obstacle race.

Thomas Wood won the award for showing all aspects of the 'spirit' of the Games. Well done!

China won the award for honesty within the games

France won for *teamwork* within the games

Russia won the overall competition with *real passion*

USA won the *determination* award for the games

Hungary won the award for *respect!*

Birley Family of Schools School Sports Competition

On Wednesday 1st July the children of Years 3, 4 and 5 took part in The Birley Family of Schools sports event at the EIS. The schools involved were St John Fisher, Charnock, Birley Community, Birley Spa and Rainbow Forge. The pupils participated in a range of activities such as Javelin, shotput, speed bounce, zig zag throw, 200m sprint and long jump.

Each class was split into six countries and then the countries competed against each other to score points. This gave the children a chance to meet other children and build on teamwork (One of the Spirit of the Games areas). The winning teams were:

- Spain in the Y4 competition
- England in the Y5 competition
- Spain in the Y3 competition

It was a wonderful event, and although very busy, the children and staff thoroughly enjoyed themselves and welcomed the opportunity to mix with the other staff and children from other schools. It was a thoroughly successful day on all counts.

Daphney in Y5 said: *"It was great fun! I really enjoyed the 200m sprint especially because I got to run on a real running track!"*

Mrs Broadhead and I would like to thank all the volunteers who helped on the day. Without your help, the event simply could not have gone ahead.

I would like to take this opportunity to specifically thank Mrs Broadhead and her hard work in organising all of these fantastic opportunities for our children both at the EIS and in school. I would like to thank all my colleagues for supporting her as well as the parent volunteers and PTFA for their support at the EIS and on Sports Day.
