Dear Parents and Carers,

This is our fourth curriculum overview of the school year and its purpose is to share information about what the children will be learning this term. This is a key term as we prepare for a range of different statutory assessments and other checks that will take place in Term 5, after the Easter holiday. The key assessment areas are:

- **FS2** - a formal check on the progress of children in their key foundation year
- **Y1** - National Phonics Screening
- **Y2** - Key Stage 1 statutory assessments (SATs), writing moderation and follow-up phonics screening*
- **Y3** - writing moderation
- **Y4** - formal multiplication tables assessment and writing moderation
- **Y5** - writing moderation
- **Y6** - Key Stage 2 statutory assessments (SATs) and writing moderation

*for children who did not achieve the phonics standard in the Y1 national screening

Good attendance is always important, but even more so this term, and not just because it will really support children to learn and progress, but also to support their wellbeing. We know that absence from school makes many children anxious because they tell us that they worry about missing learning and their classmates.

We know that there are times when absence is unavoidable, for example, when children are poorly, and so we always work very hard to help them settle back in. We also do really appreciate it when unnecessary absences are avoided, for example, no term-time holidays and odd days here and there, as well as appointments, if there is an option for them to be made after school, during school holidays or at the end of a school day. This really does help children to maintain both their learning and connections with friends.

As usual, the overview contains important information about the children's curriculum and the key words they will need to know if they are going to be able to know and do more. There are also tips for supporting them.

Please encourage your children to complete homework tasks. If they have done their best, but have not managed to finish a task or have not understood something, please offer reassurance and tell them to stop. Try to avoid the temptation to 'over-help', as this can mask issues, and delay them getting help. Simply notify us via email, a note or over the phone and we will follow it up positively, and offer lots of encouragement.

If you have any questions or need support, please contact us. We would also really like to hear from you if you have specific knowledge, experiences or artefacts, related to our topics, that you would like to share.

Yours sincerely,

Headteacher

TERM 4 LEARNING VALUE: SELF-BELIEF

- **Self-belief is all about**
 - ✓ trusting in your own abilities
 - ✓ setting yourself challenging goals
 - ✓ gaining confidence
 - ✓ thinking of yourself positively
- **If you have self-belief, you realise that:**
 - ✓ you can reach your potential if you believe in yourself
 - ✓ you should set yourself challenging, yet achievable, goals to help stay motivated
 - ✓ gaining confidence will give you the strength to carry on (and on) – even when there are challenges

"Self confidence is a super power. Once you start to believe in yourself, magic starts happening."

-UNKNOWN

ST CLARE
Catholic Multi Academy Trust

You can show your self-belief by:

- ✓ having a positive and determined mindset
- ✓ being courageous and resilient when facing the challenging, but achievable, goals you set yourself
- ✓ knowing that you will reach your potential and achieve your goals

The following words come to mind when we think of self-belief:

- courage
- determination
- positivity
- tenacity and focus
- faith
- confidence
- assuredness
- inner strength
- resilience

RE & CATHOLIC LIFE

Click [here](#) for information about our Term 4 RE curriculum. Details of liturgies, Masses and services are shared via our online calendar, our website and in our newsletters (click [here](#)). Recordings can be viewed via this [link](#).

In Term 4 we focus on the virtues of 'Love' and 'Charity', which are especially relevant during the season of Lent and our journey to the greatest feast of Easter.

During Lent chaplains will support staff with the organisation of simple daily Lenten class liturgies. These will run from **Monday 27th February 2023** until **Friday 31st March 2023**. Please book through the school office and arrive by 3.05pm. The Lenten liturgies will take place in classes on the following days.

HOMEWORK

Homework is provided continuously through:

- a mix of 'MyMaths' online homework (www.mymaths.co.uk) and other Mathematics homework
- 'Bug Club' for reading and Times Tables Rock Stars homework
- spellings for a weekly spelling quiz each week (please work hard on these to meet new standards)
- other projects relating to this term's topics will be set at the beginning of the term.

ENGLISH

Spelling, Punctuation, Grammar & Handwriting

All children will benefit from a regular focus on handwriting, spelling, grammar and punctuation sessions focused on meeting their individual needs in these specific areas and in writing too.

You can support your child's learning at home by:

- ✓ practising spellings through games and online games and competitions
- ✓ practising handwriting if this is a personal target

Reciprocal Reading

All children will have daily access to reciprocal reading which will help to improve their confidence, enjoyment and develop comprehension skills.

You can support your child's learning at home by:

- ✓ continuing to encourage your child to be independent when reading and read with your child everyday
- ✓ going through reading questions and checking answers particularly using the Bug Club resource

MATHEMATICS

We will focus on the following this term:

- finding the area and perimeter of rectangles, triangles, circles and composite shapes
- understanding graphs and charts
- investigating ratio and proportion
- using simple algebraic formulae

Key words we will be using are:

- ✓ ratio ✓ proportion ✓ algebraic ✓ words relating to shape, space and measures

You can support your child's learning at home by:

- ✓ looking at how rectangles, triangles and circles can make composite shapes
- ✓ practising multiplication tables (Times Tables Rock Stars)

HUMANITIES

We will be learning about World War II at home and in Europe. The children will investigate evacuation and what life was like for children across Europe at this time, linking to last term's visit to Beth Shalom.

Key words we will be using are:

- ✓ kindertransport ✓ Holocaust ✓ evacuation ✓ blitzkrieg

You can support your child's learning at home by:

- ✓ researching the Second World War period and finding out what everyday life was like for ordinary people

PE

The children will continue to benefit from our REAL PE programme as they focus on physical co-ordination and balance. The children will also be undertaking a unit of PE based upon hockey skills, and Rounders.

Key words we will be using are:

- ✓ dribble ✓ attack ✓ defence ✓ balance ✓ co-ordination

SCIENCE

In science we will explore animals, including humans. We will investigate the parts of the human circulatory system and learn about the functions of the heart, blood vessels and blood. We consider the impact of diet, exercise, drugs and lifestyle on the way bodies function and investigate how food and water is digested.

Key words we will be using are:

- ✓ circulatory system ✓ heart ✓ aorta ✓ arteries ✓ veins
 ✓ capillaries ✓ valves ✓ blood cells ✓ ventricle ✓ atrium

You can support your child's learning at home by:

- ✓ researching the circulatory system and information about how we can live a healthy lifestyle
- ✓ checking out great website like BBC Bitesize: <https://www.bbc.co.uk/bitesize/clips/zncq9j6>

MUSIC

We will continue to explore African drumming. We will revisit African culture to understand various instruments. We will play different rhythms and then create our own in groups. We will investigate the history of music.

Key words we will be using are:

- ✓ Brazil ✓ samba bateria ✓ rhythmic ✓ beat ✓ crotchet ✓ quaver/semiquaver

You can support your child's learning at home by:

- ✓ continuing to practise skills just like a drummer starting out, using kitchen utensils to provide a beat/noise
- ✓ asking your child to show you the three different basic rhythms that all align together to create one samba groove; drumming along with your child to the addictive pulse of samba

DESIGN TECHNOLOGY

We will be learning about healthy eating. We will think about rationing and its impact on people's diets during the war. We investigate what makes a diet balanced and create menus that ensure we eat what we need.

Key words we will be using are:

- ✓ rationing recipes
- ✓ healthy and varied diets

You can support your child's learning at home by:

- ✓ investigating different recipes- substituting the usual for the unusual
- ✓ discussing what a healthy and varied diet looks like

FRENCH

In this sequence of lessons we will:

- listen to and join in with songs and games to explore nouns and adjectives
- explore the 'alien' family and pretend to be a member of the family
- create our own *alien* faces, using spoken and written language
- develop listening, speaking, reading and writing skills
- build our understanding of the use of nouns in both singular and plural forms
- to become more aware of gender of nouns

Key words we will be using are:

- ✓ family
- ✓ mouth
- ✓ nose
- ✓ chin
- ✓ eyes
- ✓ face
