## Citizen of the Week

This week's recipient is **Fraser Owens** in **Y4** who knows that the way we use words can make the world a better place. He understands that words have the power to build bridges, and destroy them; to build people up or knock them right down. Fraser is always very encouraging and supportive of others. He tells the truth and uses words carefully to make others feel good about themselves. This is something that seems to come naturally to him. He does it almost without thinking, and not for reward. In doing this he sets a fantastic example to others, and for this we are all very proud of him! Congratulations Fraser!

## Lent 2017

On Wednesday our community came together for a special Mass to mark Ash Wednesday, which is the start of Lent. It was a very special service during which the children presented their personal Lenten promises. I would like to thank Fr Paul for celebrating Mass; my colleagues for organising the liturgy and preparing the children so well; the children themselves who behaved superbly and all the family, friends and parishioners who were able to join us.

### *What does it all mean?*

During the Ash Wednesday service everyone receives a Sign of the Cross on their forehead made with ashes from the burned palms of the previous year, mixed with a little water. The Sign of the Cross, which is made with ashes, is a mark that reminds us of Jesus' great love for each of us, exemplified by his willingness die a painful death on the cross so that we can all live with him forever in heaven.

The ashes on the forehead is a symbol of our wish to repent and love God by facing up to – and turning away from – our faults and mistakes. Lent is all about making a fresh start so that we can grow closer to God.

Lent lasts for forty days, which does not include Sundays. It is forty days because Jesus spent forty days in the wilderness, fasting and being tempted (Matthew 4:1-11). It begins on Ash Wednesday and ends officially on Holy Thursday. Purple is the colour used to mark Lent (just as it is used to mark Advent, which is the season of preparation for Christmas). In school our prayer corners and tables are adorned with purple cloths.

During Lent we can demonstrate our desire to make a fresh start through acts of **omission** or **commission**.

Omission is when we give things up. Some people choose to do this through fasting which means going without food or eating less. It can also mean giving up a specific foods or treats. Catholics are expected to fast on Ash Wednesday and Good Friday. During Lent, Catholics are also encouraged to do abstinence. This means not eating meat on Fridays during Lent and on Ash Wednesday.

Commission is when we do something extra. We might try to pray more, attend extra Masses or go to church for Stations of the Cross, Rosary and Benediction. Catholics are especially encouraged to go to Confession. We might also volunteer to help a neighbour or in a soup kitchen or do something to raise money for charity e.g. a sponsored event. We might donate items to a Food Bank or simply just support the school's Lenten 'Good Shepherd Appeal'. Children are encouraged to do extra things during Lent like help around the house.

At the end of Lent we have Holy Week. There are some key events which recall the last week of Jesus' human existence. The week starts with Palm Sunday which recalls Jesus' triumphant entry into Jerusalem. We have Maundy Thursday which recalls The Last Supper and includes the washing of the feet, Jesus' agony in the Garden of Gethsemane as he thinks about what is going to happen to him; his betrayal, arrest and trial; and Peter's denial of him. Then we have Good Friday, when Jesus was questioned by Pontius Pilate, scourged ferociously, abused, humiliated and made to wear a 'crown' of sharp thorns. He was then made to carry a cross to his place of execution as many in the crowds that lined the route mocked him. At Golgotha he was crucified with two others. Christians attend a special service on Good Friday afternoon which commemorates the moment of Jesus' death. During this service we venerate a cross as a mark of respect for Jesus' sacrifice.

On Easter Sunday, the third day, we attend Mass to recall the fact that Jesus has risen from the dead. It is a joyous day – in fact it is the most special and happy day in the Church year. Catholics can also attend Mass on the Saturday evening, which is known as the vigil Mass. Traditionally this was at midnight but is now often celebrated earlier in the evening. Often people who have just undergone preparation to become a Catholic are received into the Catholic Church during the Easter Vigil service.

### Big Sing at Notre Dame High School

On the Friday before half term the children of Y6 travelled to Notre Dame Catholic High School to take part in the annual 'Big Sing' event along with Y6 children from all the Catholic primary schools in Sheffield. Everyone really enjoyed themselves and contributed enthusiastically to the production of an amazing joint liturgy at the end of the day. The children learned lots of new songs and some of our pupils also did some readings. Two children even did a special dance during the liturgy. Well done Year 6 you did yourselves and SJF proud!

## World Book Day 2017

We had a great day on Thursday!

The Book Swap was fantastic!

In the morning the children in every class paraded in front of the school community!

The den building with family was a big hit!

Mrs Ramsden and Mrs Watters from the PTFA organised fantastic refreshments for everyone because building dens is thirsty work! They even prepared indulgent slow-cooked hot chocolate. Thanks to everyone who helped

### PTFA Jubilee Logo Competition

The PTFA has extended the deadline for those who would like to enter their competition to design a logo for our 60<sup>th</sup> anniversary. Pupils now have until the 10<sup>th</sup> March to design and hand in a fantastic logo design. Anyone needing a new entry form can pick one up from the low table in the school reception foyer. Thanks

### Achievements Outside of School

Don't forget to let us know about your children's achievements outside of school so that we can publish the details and celebrate! Please do not think that the achievements have to be big. If they are important to the children, then they are important to us and we will celebrate them all the same!

### Statement to Live By

Next week our 'statement to live by' is **'I try to appreciate the beauty and wonder in the world around me'**

**Time to talk:** Why not take time to be still and silent in your garden, in the park, in the woods or in the countryside? What can you hear? What can you see? What can you smell? How do you feel? Can you take photographs or draw pictures of things you come across close up? Leaves, sticks, stones, flowers? What places are special to you? Why? Where would you go if you could travel to anywhere in the world? Why do we have to look after our world?

Have a fantastic weekend,  
Mr Barratt
