

Citizen of the Week

Last week's recipient was **Harry Cawthorne** in **Y3** who understands the importance of knowing when and who to ask for help in line with last week's 'Statement to Live By'. Harry loves to learn and understands that part of the learning process is finding some things difficult. He will always have a good go on his own first, but if he is still stuck he will ask for help; knowing that he will receive all that he needs. What a positive attitude to have and what a great example to set! Well done Harry, we are very proud of you!

Online Safety

Please remember to sign up for one of the two parent/carer workshops taking place on **Wednesday 26th April 2017** (next Wednesday).

Both workshops will take place in the Y6 classroom and childcare will be provided for both. The first session at 3.30pm will be repeated at 5.00pm.

Please sign up for your preferred session. The lists are in the foyer of the school's main entrance.
Thank you.

Congratulations to the members of St David's House, our Term 4 House Champions! Mrs Asquith will be arranging some Golden Time at the beginning of Term 5!

Red Day

The feast of St George is on Sunday 23rd April. We will therefore celebrate 'Red Day' on the very first day of Term 5, straight after the holiday, on **Monday 24th April**.

This means that on the **first** day of the new term the **children in St George's House only** can come to school dressed in something red rather than their normal school uniform. Mr Hawley, the Head of House, has arranged some activities for members to enjoy to celebrate their House Patron's feast day.

All other children must wear full school uniform. Please contact your children's teacher(s) if you are not sure what House your child is in. Thank you.

Parent Advice and Support – Drop-in Sessions

Please remember that support and advice is available to you on a wide range of issues through our partnership with the MAST Parent Support Team. We have weekly drop in sessions in our school library from **8.30am** on **Thursday** mornings which are open to all. If you need help and advice with anything please make an appointment by speaking to Mrs Asquith. Thank you.

Community Easter Service

I would like to congratulate the young people in Years 3, 4 and 5 for the important parts they each played to make our Community Easter Service so special and memorable! The singing was extraordinary and the reading so clear. It was a fitting and moving climax to our Easter preparations! Thank you children!

I would also like to thank my colleagues for all their hard work and dedication, especially, Mrs Drake, Mrs Holloway and Mr Broadhead for preparing the children so well. I would like to add a special 'thank you' to Miss Pendlebury for sorting the music and encouraging our talented young singers so brilliantly.

A huge 'thanks' also to the PTFA for organising post-performance refreshments and finally I would like to thank Fr Paul for his support and constant encouragement.

Curriculum Exhibition (Terms 3 & 4)

Thank you to everyone who came along to support the children's curriculum exhibition on the last day of term. It was a wonderful way to appreciate and celebrate the hard work and learning of all our children. I was so proud of them, including those who acted as guides on the day. The exhibits also reflected the hard work and dedication of my wonderful colleagues to have inspired such a positive and high quality response from our children.

Reading Volunteers

We really need more Reading Volunteers to support our children in FS2 and Years 1 and 2 to increase the small team of excellent and dedicated volunteers who are already making such a positive difference to our children.

If you have any spare time and would be prepared to listen to children read we would really appreciate your help.

One-to-one reading is a really important way that children can build confidence and practise new skills.

All volunteers would be subject to the necessary and standard safeguarding and security checks. Please contact Mrs Darken or Mr Smith if you would like more information or to volunteer.

Thank you in advance for your support.

All Saints Admissions 2018/19 Workshop

The Admissions Officer from All Saints Catholic High School will be available to assist the parents/carers of children in Y5 currently who are interested in applying for a place at All Saints next year. The workshop will take place on **Tuesday 27th June 2017** in our school library from **3.00pm to 4.00pm**. Children will be supervised during the course of the workshop.

Mobile Telephone Numbers

If/when you change your mobile telephone number, please remember to change your details on ParentMail and Parent Pay.

Mums, Grandmas and Kids

Having had some sporty fun with dads and grandads, children are now invited to come along with their mums and grandmas to take part in some Zumba/ Fitness sessions which will take place on Mondays 8th, 15th and 22nd May, 3.30 – 4.30pm. A letter has been sent out so that you can sign up for the sessions you want to attend.

FS2 trip to the Emergency Services Museum

Here is a message from Mrs Darken:

In the last week FS2 caught the tram to the Emergency Services Museum on West Bar in Sheffield.

We learned about different aspects of fire safety and practised, "stop, drop and roll".

We also learned about different emergency services including the coastguard and the mountain rescue and had a chance to go on some real emergency vehicles including fire engines and ambulances.

We had a fun-packed day learning all about a range of different emergency services. Thank you to all the parent volunteers as without their help the trip would have not been possible.

Great News!

The brilliant Y5 pupils entered this year's BBC Radio 2 '500 Words' competition. This is a national competition which attracts entries from primary-aged pupils from right across the UK.

This year the organisers received a whopping 131,798 entries and selected just 5000 to go through to the second round of judging by the Reading Agency.

I am delighted that Owen Pack's entry was one of the 500 which made it through, and he was presented with a special certificate at a recent Celebration Assembly in school.

The organisers will be back in touch in May with an update. This is when we will find out whether Owen's entry has made it through to the final 50.

We are proud of all our entrants because their writing was all amazing! Congratulations Owen, we wish you lots of luck in the second round!

Statement to Live By

Next week our 'statement to live by' is **"I know how to help others when they are in trouble."**

Time to talk: At St John Fisher we believe that it is very important to help each other. Why do you think this is the case? What are some of the different ways we can help each other? How can we help someone in trouble in and out of school? Perhaps we can help others by simply doing the right thing ourselves, and by setting a great example. Perhaps we can help others by talking to a grown up and sharing our concerns and worries about others? Perhaps we can make good suggestions if someone is thinking about making poor choices? Perhaps we can show someone who has made a mistake, and is sorry, that he or she is forgiven and can start again by being kind? Perhaps we can take time to listen actively to someone in trouble?

"Success has nothing to do with what you gain in life or accomplish for yourself. It's what you do for others."

~ Danny Thomas

"Never look down on anybody unless you're helping them up."

~Jesse Jackson
