## Citizen of the Week

This week our special award goes to **Freddie** in **Y5** who knows why it is so important to cooperate with us in work and play, in line with this week's Statement of Belief. Freddie has such a generous spirit, and will always put others first. He not only listens actively to others (and supports them with their ideas), but he is always willing to contribute his own thoughts as well. Freddie, you not only have a deep understanding of what teamwork is, but you are also a fantastic support and example to so many others! Thank you and congratulations!

## The Feast of St David & Yellow Day

As St David's Feast Day is on Tuesday 1st March, the members will celebrate 'Yellow Day' on **Monday 28th February** instead. A reminder that only members of St David's House are allowed to wear something yellow. For children in FS2, who are also members of St David's House, the invitation to wear something yellow still applies. However, as it is also their PE day we ask that they wear something comfortable and wear their usual PE footwear so that they can join in with their PE lesson. No need to send them in with PE kit. Thank you.

## 100 Smilies

Congratulations to the following children who have earned 100+ smilies so far this year! In FS2 we have Harley, Harry and Maya and in Y1 we have Eliel, Felicity, Libbi, Movean and Scarlett!

She also raised over £500 to support the great work of the Trust. Her family is very proud of Seren, as are we. Thank you, and well done, superstar, what a special gift you have shared!
- **Rebecca** in **Y3** passed her 25m swimming assessment for breaststroke and received a special badge. Well done Rebecca!

A reminder that school will be closed on Monday 21<sup>st</sup> February 2022, because it is an INSET day. The first day of Term 4 will instead be Tuesday 22<sup>nd</sup> February 2022.

### SJF School Council Update

The St John Fisher School Council met this week, with all members in attendance for the first time in quite a while. Here's a word from one of our Y5 councillors on what was discussed.

*This week the whole council met for the first time in a while. It was really nice to be together again and see everyone! We discussed holding a non-uniform day to help raise funds for a special 'Buddy Bench' we want to buy. We're really excited to be able to meet together again and we're looking forward to our next meeting.*

### February Prayer: The Apostles' Creed

I believe in God,  
the Father Almighty,  
Creator of heaven and earth,  
and in Jesus Christ, His only Son, our Lord,  
who was conceived by the Holy Spirit,  
born of the Virgin Mary,  
suffered under Pontius Pilate,  
was crucified, died and was buried;  
He descended into hell;  
on the third day He rose again from the dead;  
He ascended into heaven,  
and is seated at the right hand of God the Father Almighty;  
From there He will come to judge the living and the dead.

I believe in the Holy Spirit,  
the Holy Catholic Church,  
the communion of Saints,  
the forgiveness of sins,  
the resurrection of the body,  
and life everlasting. Amen

### Weekly Liturgy of the Word

Thank you to the children of **Y5** who led our beautiful liturgy this week. Our next liturgy will be led by the young people of **Y4** on **Thursday 10<sup>th</sup> March 2022**. There will be no liturgy next week because of our Ash Wednesday Mass. A reminder that recordings of all liturgies and Masses are available to watch via this [link](#).

### Our Term 4 'Virtues to Live By'

Next term we will be focusing on the key virtues of **love** and **charity**. Please click [here](#) to link to more information about our virtues. Thank you.

### What is Lent?

The word "Lent" came from the Old English **lencten** meaning "spring" (the season).

Lent is a period of about six weeks leading up to Easter. Lent begins on Ash Wednesday and, in the Catholic Church, ends at the ninth hour of Maundy Thursday. It is supposed to be forty days like the forty days Jesus spent in the desert reflecting, praying and preparing for His own death and resurrection. It is a time when Christians try to be quieter and more thoughtful, as they also prepare themselves for Easter.

Lent is a time of repentance. Christians are expected to pray more as they reflect on their own lives and relationships with God. It is a time to address and sort those things in ourselves and our lives that take us away from God's love and care. Lent is also a time of hope; an opportunity to refocus and renew and strengthen our personal bonds with God – putting behind us all of those things that disrupt our relationships with God. During Lent, Christians give money to the needy, to charities and other good causes. They may choose to do something extra for someone else and give up some of the things they might otherwise do for pleasure.

The period of Lent ends at Easter, which is a time of great celebration as Christians recall the ultimate sacrifice that Jesus made to save us from our sins; first by suffering and dying on a cross and then by his rising from the dead on the third day. Before He died Jesus forgave the sinner crucified alongside Him. Jesus showed us that He loves us all the same and died for us all, and, most importantly, that it is never too late to turn to God.

### Our SJF Lenten Journey

We will embark on our Lenten journey together as a school community. Our assemblies and liturgies will support us through this journey, and we will build in additional time for prayer and reflection as each class will have three Lenten class liturgies each week, details of which will be shared in the next newsletter.

### Ash Wednesday

You are all welcome to join us for this year's special Mass for Ash Wednesday, at **9.30am on Wednesday 2nd March 2022**. It will be led by the young people of Y6 and marks the start of the season of **Lent**, a very important forty-day journey to the greatest and most important Christian feast, **Easter**.

This is the first time, in two years, that are able to invite parents/carers to join us. The whole school community is excited to welcome everyone back, where they belong, with us, supporting us and our Catholic life at this time of great uncertainty in the world. We again thank Fr Bede for making this possible and for celebrating Mass.

### Our Lenten Prayer: 'The Confiteor'

I confess to almighty God  
and to you, my brothers and sisters,  
that I have greatly sinned  
in my thoughts and in my words,  
in what I have done,  
and in what I have failed to do;

through my fault, through my fault,  
through my most grievous fault;  
therefore I ask blessed Mary ever-Virgin,  
all the Angels and Saints,  
and you, my brothers and sisters,  
to pray for me to the Lord our God.

## Ukraine Crisis

Our SJF school community shares the shock of the world at the events unfolding in Ukraine, following the Russian invasion. A number of our children have voiced their concerns about what is happening, including some who have families living in eastern Europe. Their fears are real, and we take them seriously.

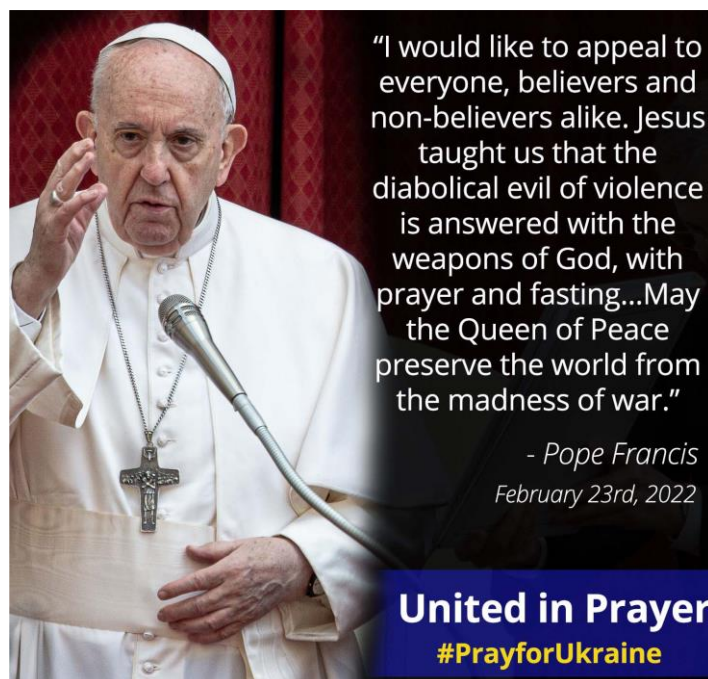

We shared prayers for peace as a community at Celebration Assembly today. We also reminded our children that they can (and should) talk to parents/carers at home and *anyone* in school whenever they feel anxious. We will obviously do all we can to help, reassure and support them.

As a staff, we are also joining together in order to reflect on these terrible events and to pray for peace; to pray for our children's families in eastern Europe; and to pray for all those caught up in this terrible and contrived conflict. Some of us are meeting each day at lunchtime in order to pray the Rosary as a direct response to Pope Francis' call to prayer - and we will continue to do so until there is peace.

## A Prayer for Ukraine

God of peace and justice,  
we pray for the people of Ukraine today.  
We pray for peace and the laying down of weapons.  
We pray for all those who fear for tomorrow,  
that your Spirit of comfort would draw near to them.  
We pray for those with power over war or peace,  
for wisdom, discernment and compassion  
to guide their decisions.  
Above all, we pray for all your precious children, at risk and in fear,  
that you would hold and protect them.  
We pray in the name of Jesus, the Prince of Peace.  
Amen.

A reminder that Mr Smith is setting up a new after-school drama club for children in Key Stage 2 (Years 3-6). The first session is on **Monday 28<sup>th</sup> February 2022**, and will last from 3.30pm until 4.30pm. The cost of each session will be £1.00.

## SJF STEM Week 2022

### STEM Week 2022

I would like to thank my colleagues for all their hard work in planning this week's highly successful SJF STEM Week 2022.

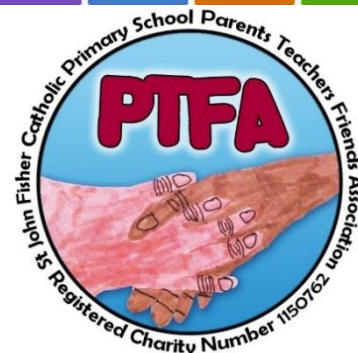

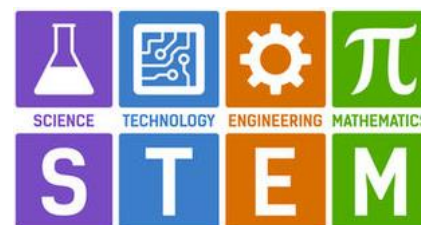

It was an exciting week of learning and a true celebration of science, technology, engineering and mathematics.

I would also like to thank Mr Broadhead for coordinating the week as well as our dear friends from the PTFA for funding the planetarium, which fascinated and entrained the children, consolidating and extending the understanding of those who have already studied space as part the Science curriculum.

For all, it was just a fantastically immersive and interesting experience.

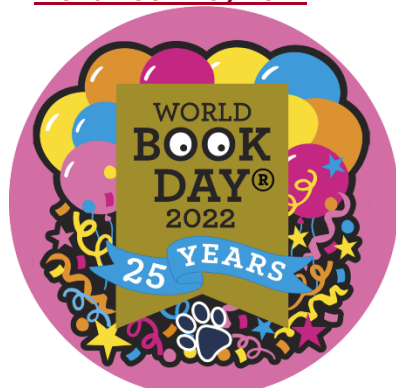

If you want to support our PTFA, especially now, as we begin to emerge from COVID restrictions, and are able to do more, please email the committee directly to offer your ideas and support on [ptfa@st-johnfisher.org](mailto:ptfa@st-johnfisher.org). New ideas and members are always welcome!

Please click [here](#) and go to the 'News' section, or this [link](#) to go to the class pages and find out more about the fantastic things the children got up to as they applied their knowledge and skills in order to answer some big questions.

## World Book Day 2022

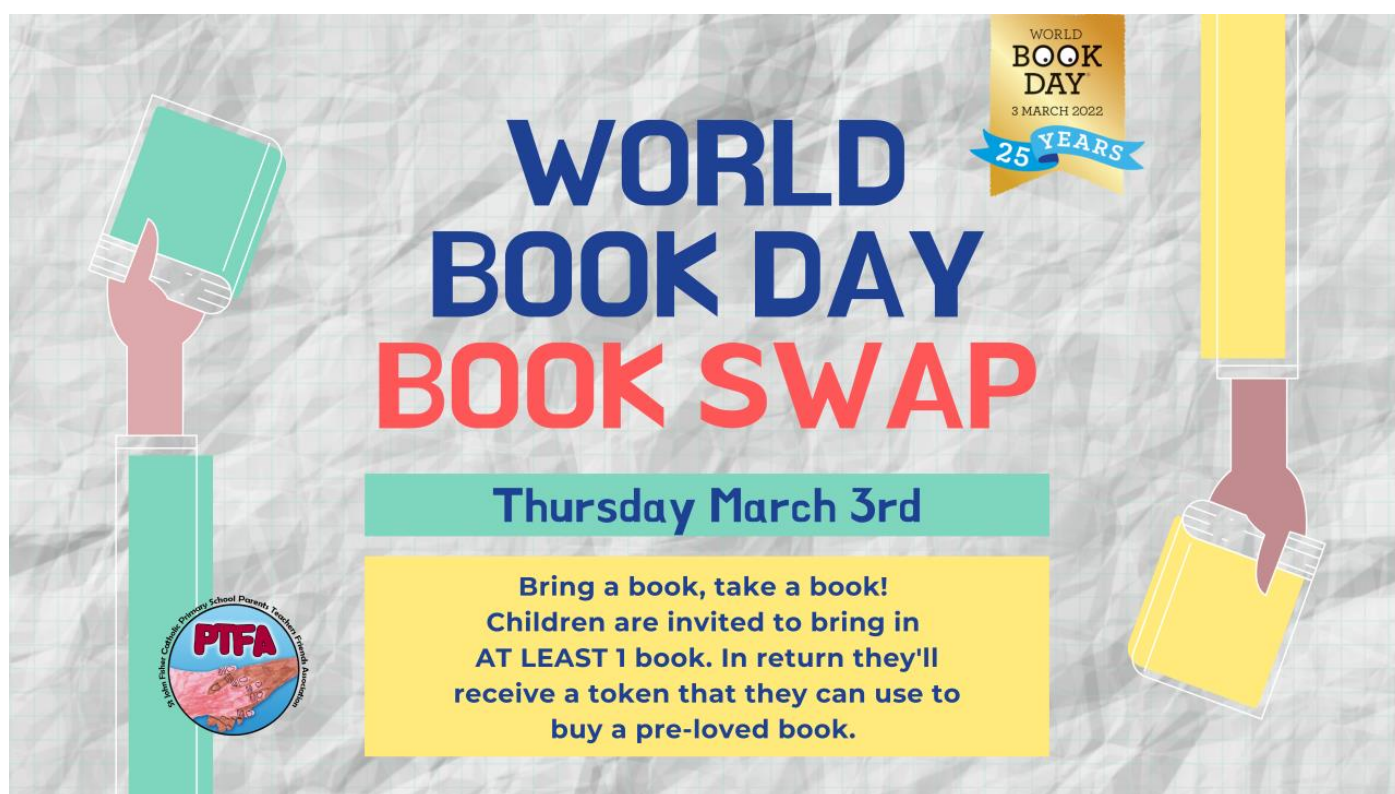

To celebrate World Book Day 2022 we are inviting the children to join in with our special 'bedtime reading' theme, because reading together, every day, especially to wind down and relax at bedtime, is so important.

Children can therefore come to school wearing pyjamas or a favourite onesie. Children can also dress up or dress down in something else if they prefer, as it is a special day. Children in Years 5 and 6 who wish to get involved are asked to bring their PE uniform with them to change in to later.

In return, members of our PTFA will be on the gates collecting a suggested donation of **£1+** from children opting not to wear school uniform

This year, the proceeds will go towards funding the library revamp that is being planned, so all donations will be very gratefully received! In addition, there will be book swap. Children are invited to bring in at least **one** book with them to school to donate.

In return for their donation(s) they will receive a token, which will allow them to visit a special bookshop and choose other pre-loved books to take home. We are especially keen to receive donations of books that would be suitable for our older (KS2) pupils. Any books that aren't taken home will either be donated to the school library, or will be sold by the PTFA at a later date.

## Our Feature Books of the Week!

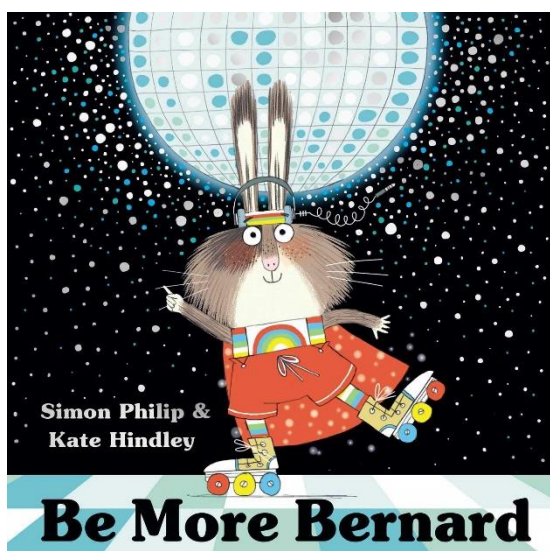

Our full 2021-22 SJF book list can be accessed via this [link](#).

Our latest recommendation for our younger children is:

'Be More Bernard' by **Simon Phillip**.

"The more you **read**  
the more **things** you know.  
The more that you **learn**  
the more **places** you'll go."  
-Dr. Seuss

### The Waterstones Review

A heart-warming ode to being yourself and standing out from the crowd, *Be More Bernard* introduces a disco-dancing bunny with a big heart and even bigger dreams. Joyously silly yet with a serious message about individuality, this is a winner from start to finish.

Perfect for fans of Jim Field and Julia Donaldson, *Be More Bernard* is the brilliant story of a disco bunny who will encourage us all to chase our dreams and embrace our differences.

When the other bunnies bounced, I bounced. When they hopped, I hopped. When they slept, I did too. Like them, I dreamed. But MY dreams weren't the same. They were less... rabbit.

Bernard has decided that he's not going to be like all the other bunnies any more. He's not going to twitch his nose and prick his ears. And while others might dream of carrots, Bernard's dreams are altogether more... disco!

He starts small, but when he finally gets to groove with grace and jive with joy at Bertie and Brenda's Bunny Ball, Bernard shows the world that being yourself is the very best thing a bunny can be.

This week's recommendation for our older children is: **'Egypt Magnified'** by David Long.

Make sure you join us and come and have a go at break-time with Kessy and Mr Johnson!

See how fast you can complete the challenge! Why not see if you can beat your personal best?

### Statement of Belief

Next week our 'statement of Belief' is "**I try to use words that make the world better.**"

**Time to talk:** Why is it important to use kind words when we talk to (and about) others?

Why is it wrong to say unkind words or share lies?

How does it feel when people say positive things?

How does it feel when they don't?

Kind words can be short  
and easy to speak, but their  
echoes are truly endless.

Mother Teresa
