

FS2 ECAT | TERM 4 | WEEK 1 | Let's Go!

Our Focus

Our ECAT focus for this week is **Journeys that I Make**.

We will be talking about how the children get to school each day, and discussing other journeys that they make regularly.

For example, to the shops or to grandparents' homes. Our focus book is 'Rosie's Walk' by Pat Hutchins. Please click [here](#).

Our song of the week is 'We All Go Travelling By'

The [link](#) will take you to a 'YouTube' clip of this song.

I spy with my little eye
You can hear with your little ear
A yellow school bus goes beep, beep, beep.
And we all go travelling by, bye-bye!
As we all go travelling by.

A bright red truck goes rumble, rumble, rumble...
A long blue train goes chuff-chuff-chuff...
A shiny pink bike goes ring, ring, ring...
A little green boat goes chug-a-lug-a-lug...
A big white plane goes neeeeeee-oww...
A fast orange car goes vroom, vroom, vroom
Two purple shoes go tap, tap, tap

Ideas to Try at Home

- Discuss the different journeys you make each day. Draw a simple picture of a route that you travel on. What do you see along the way?
- Use chalks outside to design your own roads. What buildings are on the streets? Are there any roundabouts on your road?
- Try and go on a journey on your scooter or bike or go for a lovely walk. Talk about where you go and the things you see.

Grown-ups, please add information and photographs to your child's Tapestry page so that we can share their ECaT work in class.

Our Makaton actions this week are to walk, to run, to ride a bike and bus.
