## School Closure

Due to the adverse weather conditions we had to close school today. We shared our SJF Adverse Weather Plan and also reposted it on our SJF website, which can be accessed via this [link](#).

We use ParentMail to text and email parents/carers if school has to finish early, as we did on Thursday, or if we have to close all together, as we had to on Friday. We sometimes have to follow this up with phone calls. It is therefore important that school has up-to-date contact information - not just for parents/carers but also for anyone entrusted to also collect children from school. Please double-check and ensure that we have the most up-to-date contact information if you have changed phone numbers and email addresses recently.

## Weekly Awards & Smiley Scores

Due to the school closure today, this week's awards and smiley scores will be announced in next week's Celebration Assembly and newsletter.

## Green Day 2023

The feast of St Patrick is on **Friday 17<sup>th</sup> March 2023**, and the members of St Patrick's House will celebrate 'Green Day' on that day. Members are invited to dress down and wear something green if they have it and want to. Children in the other three houses will be expected to wear full school uniform as usual. Thank you.

New, low maintenance fencing will be erected around our Early Years outdoor learning area and the existing wooden fencing will be repurposed and used to surround a fantastic new wildlife pond and garden at the top of the field. This new area will be used in a variety of ways by the children, including supporting the development of skills and knowledge in science; to support their appreciation of sustainability and broader 'green' issues; and as a sensory area. Work will start over the Easter holiday with the support of our amazing PTFA and the Yorkshire Wildlife Trust who will advise us on a range of matters, including planting.

### Our Lenten Prayer: 'The Confiteor'

I confess to almighty God  
and to you, my brothers and sisters,  
that I have greatly sinned  
in my thoughts and in my words,  
in what I have done,  
and in what I have failed to do;

through my fault, through my fault,  
through my most grievous fault;  
therefore, I ask blessed Mary, ever-Virgin,  
all the Angels and Saints,  
and you, my brothers and sisters,  
to pray for me to the Lord our God.

## SJF Football News

*Here is an update from Miss Barrett*

Last Friday, a squad made up of nine of our Y5 pupils ventured out from St John Fisher's to compete in a football tournament hosted by Brook House Junior School, alongside four teams from two other schools.

In the first game against **Reignhead A** our team managed a fantastic 7-0 win leaving very happy smiles on the faces of Hugo, D'mari and Zayd (who scored goals) as well as a very excited me on the touchline!

The second game against **Brook House B** was a tough match, and despite a positive team performance, some fantastic saves from Luca and brilliant defensive work from Seb, Sam and Preston we were defeated **0-2**.

Despite this setback our team kept their heads high and worked hard in order to secure a hard-fought **0-0** draw against the very talented **Brook House A** team.

Their final game was against **Reignhead B** and it was another really tough match in which our footballers played brilliantly together in order to secure a magnificent and well-deserved **3-0** victory with two goals from Alfie followed by Isaac's first goal of the tournament, which resulted in praise from all of his teammates.

This final game secured the team a place in the final against **Brook House A** team. The exciting final ended in another 0-0 draw, and due to time constraints, the game could unfortunately not go into extra time or penalties, meaning that honours were shared!

I am incredibly proud of our footballers and the fantastic levels of sportsmanship and determination that they all displayed! They not only supported their teammates in their successes and mistakes but also the children from the other competing schools, always being the first to help them back up if they fell and shaking hands with their opponents after every game. After voting from all the players on who they think deserved it most, **Hugo** was chosen to be our '**SJF Star of the Tournament**' by his teammates, for his determination, hard work and excellent tactical mindset. Congratulations to Hugo, and to our entire SJF squad: Alfie, D'Mari, Isaac, Luca, Preston, Sam, Seb and Zayd! We are incredibly proud of you all! Please click [here](#), for more pictures.

## Statement of Belief

Next week our 'Statement of Belief' is '**I know it is ok to make mistakes**'

**Time to talk:** We know that making mistakes is a normal part of learning. Making mistakes as we learn is ok and completely normal. If we worry about making mistakes then we might become fearful learners. Fearful learners tend to find learning scarier and more difficult. They can struggle to reach their potential because they worry about trying new things. Trying new things is what confident learners are happier doing. Just having a go is important. Trusting grown-ups when they encourage you to try new things is really important too. Understanding that mistakes might be made – and it is ok – is also important. Can you think of a mistake that you once made, that ended up spurring you on to do (or be) even better at something? Perhaps when you learned to ride a bicycle without stabilisers for the first time?
