

FS2 ECAT Term 4 | Week 6 and week 7 | Eastertime & Spring

We have two busy weeks left before the Easter holidays. We will be spending time outside discovering the changes in nature now that it is springtime, and the snow has finally gone.

We will be continuing our Lenten liturgies in preparation for Holy Week and learning about the Easter story and how Christians all across the world celebrate Easter Sunday. We will also find out about Easter traditions in our own families.

Our Songs

'Did You Ever See a Bunny?' (click [here](#))

Did you ever see a bunny, a bunny, a bunny,
Did you ever see a bunny that hops so slow?
He hops and hops and hops and hops.
Did you ever see a bunny that hops so slow?

Did you ever see a bunny, a bunny, a bunny,
Did you ever see a bunny that hops on one foot?
He hops and hops and hops and hops.
Did you ever see a bunny that hops on one foot?

Did you ever see a bunny, a bunny, a bunny,
Did you ever see a bunny that hops so fast?
He hops and hops and hops and hops.
Did you ever see a bunny that hops so fast?

We will also learn the rhyme with Singing Hands:

Ideas to Try at Home

- Go on a spring walk with your family. What can you see and hear? You could take some photos or make a video of your spring walk to share with classmates, showing us what you noticed, for example, flowers and blossom.
- You could make some Easter decorations for your home.
- Find out how you could make a chocolate nest and follow the instructions to make some delicious treats for your family.
