

# FS2MOUSE CLUB

Term 2 | Week 6

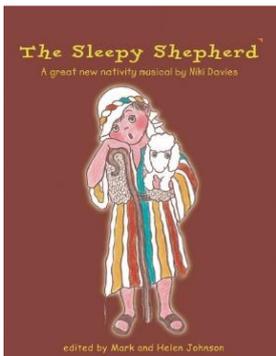

## Our Book of the Week

Our focus book this week is the wonderful story, 'Little Glow', by Katie Sahota and Harry Woodgate. Little Glow is a small candle that sees all the beautiful lights from his window throughout the year.

He sees a lighthouse; a girl celebrating her birthday; bonfire night; Diwali celebrations; a family celebrating Hanukkah; and all the many Christmas lights.

The story explains the importance of light during different festivals and celebrations throughout the year, ending with information about fire safety and the use of candles in the home.

Please click [here](#) to view the book and go through it with your child.

## Our Songs of the Week

This Week the children will continue to learn and practise songs for our forthcoming nativity play, 'The Sleepy Shepherd', on **Tuesday 19<sup>th</sup> December** starting at **9:30am**.

You can purchase tickets through the school office.

On the day, after dropping your child off, you are invited to wait in the hall for the nativity play to begin, whilst the children get ready. There will be a raffle.

Refreshments will be available, whilst you are waiting.

## Activities To Try at Home

- Watch the story and have a chat about which festival you like best. Why is that?
- What do you celebrate at home? At school, we have learned about some of the many different traditions that happen when families prepare and celebrate a special occasion, for example by decorating the home, buying special food, sending cards, giving presents, and wearing special clothes. What happens in your family?
- When you are out and about in your local area look for different types of lights. Are they lit for celebrations or are they there to help us stay safe in the dark - or for another reason?

## Our Makaton Signs this Week

Please watch 'The Singing Hands' ladies and show us some of the Christmas signs and see if you can learn a new one each day from the Makaton Advent Calendar. We will also be doing this in class each day. Here is the [link](#).
