

FS2MOUSE CLUB

Term 3 | Week 3

This week we will be finding out about places in the world that are always cold and snowy, not just in the wintertime. We will be looking at the animals that have adapted to living in such cold conditions and finding out interesting facts about them.

Story of the Week

Our story this week is '**Lost and Found**' by Oliver Jeffers. We will also be using our class atlas and world maps to find out where the coldest places in our world are.

Song of the week

'Row, Row, Row Your Boat'

Row, row, row your boat
Gently down the stream
Merrily, merrily, merrily, merrily
Life is but a dream.

Row, row, row your boat
Gently down the stream
If you see a crocodile
Don't forget to scream!

Row, row, row your boat
Gently down the river
If you see a polar bear
Don't forget to shiver.

Row, row, row your boat
Across the reservoir
If you see a pirate, there
Stop and say ooo-arr!
