

FS2MOUSE CLUB

Term 3 | Week 4

This week we are continuing to find out about Wintertime where we live in the UK and the Polar regions that are always freezing.

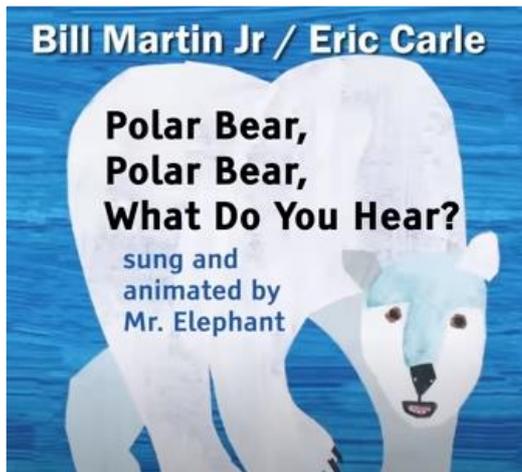

This week we are listening to a classic story by Michael Rosen: **'We're Going on a Bear Hunt'**. The family go on a journey and experience different types of weather, before meeting one of the animals that we have been finding out about in class.

The [link](#) will redirect you to a recording of the story which is performed by Michael Rosen himself.

Songs of the Week

We have two songs this week:

- **Polar Bear, Polar Bear, what do you hear?** (click [here](#))
- Jack Hartman's **Penguin Song** (click [here](#))

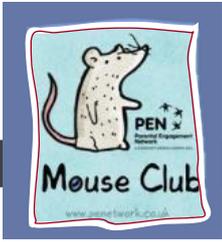

Ideas to try at home:

The children have found out about a range of amazing animals that live in the polar regions. Can you find out more information about an animal they especially like? The children could draw a picture and a grownup could help them find an interesting fact about the animal they <https://www.natgeokids.com/uk/> have drawn. Please note that National Geographic Kids has
