St John Fisher Primary – A Catholic Voluntary Academy

Spring Water Avenue, Sheffield S12 4HJ | enquiries@st-johnfisher.org | 01142485009

Please share any concerns about a pupil in our community with us straight away. Many issues, including the appearance, hygiene and behaviour of a child, especially where there has been a change, can be symptomatic of wider issues and so should be shared with the appropriate people, including the Safeguarding Team, teaching or support staff. Do not worry about reporting small matters, we would rather this, than to miss anything.

If you think that a student (or an adult who cares for them) has been (or might be) harmed, please tell a member of our trained SJF Safeguarding Team immediately (details below). You can also discuss confidential and urgent matters with any member of staff. If you are unhappy with how your concern is handled, please let us know. If you wish to complain please use our complaints procedure or write directly to the Headteacher or Link Governors.

A concern, allegation or disclosure of abuse involving someone working with children or adults in a paid or unpaid capacity **must** be reported directly to the Headteacher or an LMT member. Concern about the Headteacher or an LMT member should be reported directly to either the **Chair of Governors** or to the **LADO** directly (details below).

Sheffield Safeguarding Prevent Advisors

Prevent is a part of the Government's national counter-terrorism strategy, which aims to stop people becoming terrorists or supporting terrorism, before they are drawn into criminality. It is designed to tackle all forms of terrorism regardless of ideology or cause: online extremism and radicalisation can impact all our neighbourhoods and communities.

We are a key local partner in helping to safeguard and support individuals at risk of being drawn into terrorism. Work around Prevent is co-ordinated by the Council's Community Safety and Safer Neighbourhoods Service, and we have adopted an open and transparent local approach to Prevent.
